

Creating Change 2009!

Posted by Miriam - January 30, 2009, at 08:52AM | in [Queer Issues](#)

Hello from the Mile High City! I'm here for Creating Change 2009, the National Gay and Lesbian Task Force's annual conference. It's essentially the largest queer activist gathering. This is my second year here.

I'll be posting some of my thoughts and reflections about the conference over the next few days.
