National Conference on LGBT Equality

Event date: January 28, 2009 - February 1, 2009

The National Gay and Lesbian Task Force will host its 21st National Conference on LGBT Equality: Creating Change in Denver January 28–February 1. The conference is an annual political, leadership and skills-building conference for the LGBT social justice movement. Typically, Creating Change draws between 2,000 and 3,000 attendees from throughout the United States and abroad.

Online registration will end at midnight January 25. On-site registration will open at 6 p.m. on January 27. For more information visit www.thetaskforce.org.
